The above information again represents those clients who are court involved on the juvenile level and consist of a fourteen month period (1972 and Jan. and Feb., 1973).

The Dade Co. youths have been referred to the Seed originating last March, 1972 to the present date. Broward Co. was referring youths to Seed as of last January, 1972. The above information indicates that the court system, and division of youth services directed by Mr. H. Hollman in Dade County, has established with The Seed, a degree of cooperation that enabled The Seed to date to effectively rehabilitate many youths who might otherwise be dependent upon the State of Florida.
