Ms. Mickey Bowman
Executive Director
Growing Together, Inc.
1000 Lake Avenue
Lake Worth, Florida 33460

Dear Ms. Bowman:

The Alcohol, Drug Abuse and Mental Health Program Office has received your completed application for substance abuse licensure and the required additional documentation.

Enclosed is the Probationary License for your new program. Please display this license in a prominent location within the facility where substance abuse services are to be provided. This Probationary License is effective for ninety days.

A formal site visit will be scheduled prior to the expiration date on the license. This visit will include a review of the program, policies and procedures, client charts, personnel files, quality assurance and staff interviews. It is expected that all areas of the program will be in compliance with Chapter 10E-16, Florida Administrative Code, and Florida Statute 397, at the time of the site visit.

If you have any questions regarding the licensing process please feel free to contact the ADM Office at (407) 540-1308.

Sincerely,

Suzanne Turner
District IX Administrator
