8:30 AM ;

Client had a staple and was carving in his arm. The client then was asked by the police officer (who was here from an earlier incident w/ someone else) ^{to give him the staple,} the client refused & stood up. The police officer handcuffed him & searched him. On the officers suggestion we Baker acted the client for self mutilation and refusal to take his medication for several days. He his on holding ~~at~~ South County Mental
